* * *

DOUGLAS CAYARD of Niles is now in training with the Navy at the Great Lakes Naval Trianing station in Illinois. His friends may write him addressed as follows: 53rd. Batt. 11 Reg. Co. 955, Barracks 2805, G.L.N.T.S., Great Lakes, Illinois.

Aviation Machinists Mate GILBERT WRIGHT, formerly employed by The Township Register, now stationed with the blimp service at Sunnyvale was a visitor on Monday in Niles.

Private EUGENE PASHOTE of Newark is now stationed at Camp Robinson, Arkansas, where he is taking his basic training. His address is Co. B, 52nd Battalion, and he would be glad to hear from his friends in Washington Township.

Sailor LAWRENCE GRONLEY of Centerville is now stationed at the U.S. Naval TrainingStation at Camp Bennion, Faragut, Idaho. with Regiment 3, Company 42-1, where he would appreciate receiving letters from his friends at home.

Pvt. JULIUS PINE of Niles is now stationed with the 906th. Guard Squad, Army Air Base at Caspar, Wyoming, where his friends may write him.

Captain E. C. GRAU writes from Fort Douglas, Utah that he is only stationed there five days and will be sent out to another post. The city of Salt Lake is crowded, he says, because of the moving there of headquarters of the Ninth Corps Area from the Presidio of San Francisco.

Seaman First Class WILBERT PINE of Newark has arrived at the U.S. Coast Guard Training Station at Manhattan Beach Brooklyn, New York where he will take three months training .His friends may write him addressed to Btn. 10 Co. 38, Platoon 2.

Able Seaman WILLIAM S. SILVA of Niles is now training with Company 42-9 at the U.S. Naval Training Station at Camp Bennion, Farragut, Idaho where his friends may write him.

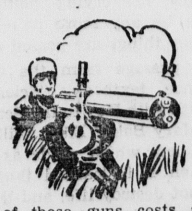
What You Buy With WAR BONDS

The 50-caliber Browning machine gun is one of the most efficient short range weapons used by U. S. Fighting forces. It is effective at ranges up to 2,000 yards and fires about 600 forty-five caliber bullets per minute.



One of these guns costs about $1,500, while a thirty-caliber machine gun costs approximately $600. Our fighting forces need thousands of these rapid-fire guns. Even a small town or community can buy many of them by uniting in the purchase of War Bonds. At least ten percent of your income in War Bonds every pay day will do the trick. *U. S. Treasury Department*

OLD KEYS WANTED

Children of the Niles Grammar School are making a special drive at present in their own homes and among their neighbors to pick up as many old and unwanted keys as possible. The keys contain a certain alloy greatly desired by the government and should be kept separate where scrap is accumulated. Everyone has old keys, no longer needed for worn-out trunks and household purposes which should be contributed to The Cause.

TOWNSHIP BLOOD DONORS ASKED TO SIGNUP LOCALLY

MOBILE UNIT TO COME TO NILES ON NOVEMBER 6

The mobile unit of Oakland Chapter of American Rer Cross will make its first visit to Washington Township on Friday November 6, 1942. Subsequent visits will be made in the following months as follows: December 4, Jan. 15., Feb. 5,, Mar. 5., April 2, May 7, and June 4. Headquarters for the unit will be at Veterans Memorial Building at Niles where accomodations for the operation of the unit and canteen service are available.

All persons in the Township who are willing to donate blood to our armed forces are asked to sign up immediately with their Town Committees, and select the date when they will appear to make their donation. The Oakland Chapter will send a complete staff with the unit on its first visit. A local staff to consist of 21 nurses, canteen workers, and motor corps will be enlisted locally fom volunteers who offer their services. The Child Welfare Club on invitation of Washington Township Red Cross will have charge.

The following committee chairmen have been named by Mrs. W. L. McWhirter, general chairman. Alvarado, Mrs. Blake Hill, Alviso District, Mrs. Elsie Madruga, Centerville, Mrs. Vernon Gould, Decoto, Bernie Joseph, Irvington, Mrs. Thos. Power, Mission San Jose, Mrs. Lois Justus, Newark, Mrs. James Collins, Niles, Mrs. Marston Dassel; Warm Springs, Mrs. Jos. Brown, P. G. & E. substation, Mrs. Harry Weber.

Tables will be set up in the loby of banks and postoffices for the convenience of donors who wish to register. Apprximately one hundred donors will be required for each visit of the mobile unit and it is anticipated that many more than the required number will volunteer to donate so it is suggested that you contact your town committee as soon as convenient so that you may have the honor and privilege of participating in the patriotic undertaking, states F. T. Dusterberry, Chairman Red Cross, Washington Township.

NEWARK COLLECTS 20 TONS OF SCRAP; DRIVE CONTINUES

The Newark scrap committee spent all day Sunday picking up more scrap and will continue next Sunday. This committee has reached the 20 tons of scrap mark.

Chief Pashote advises people who have scrap and no not want to donate it; to sell immediately to scrap dealers or direct to the mill.

Joe Trinidad of Newark has donated his truck for the pick-up of scrap.

The Newark Fire Department will initiate two new members, Donald Maciel replacing Joe Machado and Ellsworth Dias replacing Eugene Pashote, Monday night October 12. Refreshments will be served.

IRVINGTON SCRAP DRIVE

IRVINGTON — The Air Raid Wardens of Irvington are sponsoring a scrap metal drive. Depositaries are in back of the skating rink and by the fire house. They already have over a ton of scrap metal and iron. Congratulations go to the people who are helping to gather the scrap to help win this war. You yourself, get in the scrap drive. Make a big pile out of it to help fight a Jap off the map.

BUY WAR BONDS

LEGION BENEFIT MIDNIGHT SHOW SET NOVEMBER 7

FUNDS TO BE USED TO AID MEN WOUNDED IN THIS WAR

The American Legion and Auxiliary's benefit midnight show, announced recently to be held at the Niles Theatre on Saturday, October 24 has been advanced to Saturday November 7, according to word received by Walter Waynflete, chairman of this Township-wide activity.

The San Francisco district chairman states that recent WPB freezing orders had prevented a sufficient number of prints to be made of a special feature picture being donated by the Fox West Coast studio, to enable all the 300 theatres participating to have the picture the same nigh.

The dates of the benefit show are being staggered so that the limited number of films can be shown in many California cities, and Niles has been assigned November 7 as its date.

The sponsors of this project point out that all the money raised at these benefit shows is to be used, half of it by the local posts, the other half by the State Department for the exclusive benefit of soldiers and sailors injured in this war, and for the welfare of dependents left by men killed in action. The Legion and Auxiliary for 20 years have carried on this Rehabilitation and Child Welfare program among the veterans of the last war, and they do not now have the funds to meet the new demands for aid being created by this war.

Hence the purpose of these benefit shows throughout California, which because of its mild climate, has been selected by the government for the hospitalization of the wounded.

Tickets will be on sale here in another week and will be priced at 55c, 5 c of which meets the federal tax. Ladies of the Township Auxiliary will be on duty in the lobby of the Niles Theatre starting Sunday, October 25, and will ask out-going patrons to buy a ticket or two whether they can attend the special midnight show or not. Your half dollars are most vitally needed for this most urgent purpose.

Manager W. J. Helm has donated the use of his theatre following the close of his usual evening show on Saturday, November 7. Legion men will be in the ticket booth and at the door and Auxiliary ladies will serve as ushers. Everything in connection with the show is being donated, even to the printing of the tickets.

— Trade at nome! —

CENTERVILLE TO COLLECT SCRAP THIS SUNDAY

CENTERVILLE — Sunday, October 11, will be observed as Scrap Sunday in Centerville with Lions Club members and Air Raid Wardens joining hands to collect scrap metal in the Centerville area.

Fifty men and twelve trucks will make a house to house and farm to farm pick-up next Sunday morning between 9 a.m. and 12 noon. Every householder and farmer is urged to do his part by gathering together his scrap metal now. All types of metal articles except tin cans are needed now, if we are to keep up the continuous flow of weapons to our fighting men.

Residents of Centerville should collect their scrap metal and place it on the curb if possible. Individuals with articles too heavy to handle alone should be on hand to flag the collectors between 9 a.m. and 12 noon. Persons living outside town should phone Centerville 13-w, or write the Centerville Lions Club for pick-up service, or flag the trucks on Sunday.

Joe Adams is general chairman of the drive. He is being assisted by Tony Alameda, Jeck Rees, Ed Vierra, Carleton Brown, Erle Hygelund, Jack Silva, Lawrence Alberts, Leland Martin, John Santos, Joe Bauhofer, Bill Clark, Chick Santos, and A. N. Silva.

All members of the Lions and Wardens are planning to be on hand Sunday morning to serve as collectors.

All funds derived from the drive will be used for welfare and patriotic work in this area.

Serve your community and your nation by making your contribution on Scrap Sunday.

WAR CASUALTY

Another economic casualty because of the war will occur in Niles Saturday night when Arnold Bellini closes the Niles Meat Market in the Red and White store. He has not been able to lease his business, in which he has quite an investment, and he says he needs a month or two to straighten up his other interests, chiefly cattle, before he enters service. Berchem's will now be the only meat market in Niles where two years ago there were three butcher shops here. Good luck Arnold. Your customers will be waiting for you when you come back!

USDA WAR BOARD PUSHES FARM SCRAP PICK-UP

NILES P. T. A. TO SPONSOR DRIVE THIS SUNDAY

The urgent need to callect every available piece of scrap metal from rural districts was stressed this week by A. W. Young, chairman of the Alameda County War Board of the United States Department of agriculture, who pointed out that the western and southern states must build a scrap "stockpile" to keep steel furnaces roaring this winter when collection in other parts of the nation will be halted by snow and ice.

Young also suggested that farmers might well utilize the value of their farm junk for "trading" purposes, exchanging useless scrap for metal parts they need for maintenance and repair work, and which otherwise is difficult or impossible to obtain because of priority restrictions.

"I believe a possible exchange idea is being overlooked by most farmers who are experiencing great difficulty getting metal parts they need," H. W. Young said. "If everybody would toos his miscellaneous scrap onto the truck before driving to town some advantageous deals might be worked out with the blacksmith or repair shop acting as the clearing house.

"One thing is certain. Our steel mills must be kept operating with a constant flow of scrap iron, or somewhere on the world's battlefronts our war effort will bog down for lack of guns, tanks, ships, bombs or bullets. When winter freezes iron to the ground or covers it with snow most other states can not collect scrap. California can. It's up to us to get every available pound in. Let's do it now!

The Niles P. T. A. is sponsoring Niles fourth Victory Scrap drive which will be held this Sunday morning. Persons who have any accumulation are asked to telephone their names to the P T A President, Mrs. Fred Duffie, or leave their names at the Niles Salvage Committee's premanent headquarters at Niles 4442.

FIVE & DIME STORE CHANGES HANDS AT NILES

Mr. and Mrs. M. L. Fournier gave up the management of the Sprouse Reitz store on Main street in Niles with the close of business on Saturday night, because Mrs. Fournier had to have a rest.

Monday morning Mrs. Rinaldo Cozzi and Mrs. H. G. Munro took charge of the business, which they have leased, and will conduct it as usual.

DECOTO GETS SCRAP

DECOTO Decoto's first Victory drive was held here Sunday with the fire department members under Chief Roland Bendel conducting the pick-up work. The trucks made house-tohouse calls and curb-side collections. The proceeds of the drive will go to the fire department's insurance fund.

(Editor's note: Non-profit organizations are finding these scrap drives to be windfalls of revenue for their treasuries, while advancing this patriotic, nation-wide drive to "Get Scrap-Happy.")

CHAMBER BACKS CLEARING HOUSE FOR LABOR CALLS

The Niles Chamber of Commerce acted at its Monday luncheon meeting at the City of Florence Restaurant to maintain a co-operative clearing house for labor calls where persons who want to work on their day off, or who are out of employment, or are available for short terms of employment may list their names.

The project was presented by George C. Roeding Jr. who felt that our full manpower and woman-power should be kept available for use whenever it is needed. This will include listing the names of women and girls who have worked in the canneries, and of boys available for Saturday work.

Employers may also list the names of employees who's services might be available during slack periods. Then when an employer wants help for any purpose he will know where to come and get it.

Secretary A. J. Petsche, manager of the Niles Pacific Gas & Electric company's office generously offered the use of his telephone, Niles 4572, and his secretarial staff where a file can be maintained and classified according to occupational skills.

Chairman T. C. Wilson appointed Petsche chairman of this activity, assisted by E. A. Ellsworth and Walter Waynflete. The committee met Monday afternoon in Mr. Ellsworth's office to perfect arrangements.

It was suggested that a "sandwich board" be erected on the sidewalk outside the P.G.&E. office where persons who wanted work immediately could be listed by occupations.

There will be no charge for this srvice, either to employers or employees. It is "just another Niles Chamer of Commerce Service" secretary "Tony" says.

It was also suggested that the high school be asked to keep a file of its students, both boys and girls who have worked in the fruit or elsewhere during the summer, who might be available on call for weekend jobs.

FURS, GLOVES WANTED

Mrs. Laura Whipple has accepted an urgent appointment to try and collect as many pieces of unwanted furs, leather gloves and leather purses throughout Washington Township, to give to the government for vital use in lining helmets and jackets for our fliers and for men stationed in the Arctic this coming winter. If you can spare a fur collar or neckpiece you will have the satisfaction of knowing your contribution may help to keep some other mother's son warm this winter while on lonely outpost in Alaska or Iceland. Mrs. Whipple is appointing a chairman in each of our towns.

Coming Events

SATURDAY

9:30 a.m. Corpus Christi Church food sale at Mr. Murphy's store, Niles.

SUNDAY

Victory Scrap Metal Drive conducted by Niles P. T. A.

Victory Scrap Metal Drive conducted by Centerville Lions and Air Raid Wardens.

TUESDAY

8 p.m. Niles Air Raid Wardens meet.

8:30 p.m. Business and Professional Women's Hallowe'en party at P. G. & E. clubhouse near Newark.

8 p.m. Public card party, Corpus Christi Parish house, Niles.

THURSDAY

Duck hunting season opens at sun-up.

6 p.m. Annual Centerville Lions, Niles Rotary clubs' dinner at Solons in Niles.

8 p.m. Y. L. I. Hallowe'en party at Odd Fellows hall, Niles.

WARREN EXTENDS TRIBUTE TO PRESS OF NATION

SAN FRANCISCO — Earl Warren, candidate for Governor of California at the November 3 General Election, paid tribute to the Press of the Nation in a Newspaper Week message released today.

Attorney General Warren, pointing to the place of the "Fourth Estate" in American life, said.

"This year's nation-wide observance of Newspaper Week finds the United States engaged in a global war to preserve for liberty-loving people everywhere the principles upon which this nation was founded. One of these principles is freedom of the press.

"It is fitting that even in the midst of a most critical period in American history we should pause to pay tribute to the newspapers, which in good times and in bad, have continued to publish the news fearlessly and impartially and have stood for those things that have contributed to the welfare and progress of the American people.

The free press is an American institution indispensable to the democratic form of government. It is, as Thomas Burke once said a 'fourth estate' as necessary to the proper functioning of our government as the executive, legislative and judicial branches. Its responsibilities in furnishing the American people with the news and intelligent interpretation of the news are taken for granted and yet they are of tremendous significance.

"Without a free press America would not be America. Once a year, at least, we ought to express our appreciation to the newspapers for the service which they render in informing us of the day's news and of constantly reminding us of the objective of our political, social and economic life."

Oldest building standing in San Francisco is the Officers Club at the Presidio.

COUNTY CIVIL SERVICE

The County of Alameda will receive written applications at its office, Room 205 Courthouse, up to the following dates for the positions named: October 16, storekeeper, salary $140 month; October 16, watchman, salary $110 and $125; October 23, hospital maintenance man, $125; October 23, rodent field man, $140; October 30, supervising physician, $325 full time. Full information may be had by writing the County Civil Service Commission.

SAFEWAY Homemakers' Guide

★ How to get a course in nutrition by mail ★ List of nutritional foods
★ How Kay helped defense at home

Week-end advertised prices for five days!

Now Safeway's specially low advertised prices are good early in the week as well as on the week-ends—Tuesday through Saturday, each week. And *now* Safeway ads appear in newspapers early in the week—so you can shop early in the week and still take advantage of Safeway's extra low advertised prices.

Are you sure your family's fed right?

Did you know that our Government says: "The Nation is under-nourished"?

Did you know that you and your family can eat three square meals each day and still be under-fed?

Did you know that meals properly designed for good nutrition can lose much of their value in cooking?

To help in the Government's program to make this Nation the first national family of buoyantly healthy people the world has ever known, Safeway Homemakers' Bureau is offering a correspondence course in nutrition and menu planning. It is a completely revised edition of Julia Lee Wright's "Kitchen Course in Nutrition" first offered a year ago—the correspondence course in nutrition which helped thousands to enjoy better health. This new "Kitchen Course in Nutrition" is just off the press, to meet wartime demands and includes the newest nutritional standards recommended by our Government. We know this course will be an aid to the Government's program of building an impregnable defense of national health for today thus ensuring for our children the greatest heritage that one generation has ever bequeathed to the next—health.

The new, revised and streamlined correspondence course, "Kitchen Course in Nutrition" is a simple, practical guide in feeding your family properly, economically, along new, improved lines. It's a personal-[illegible] course, so flexible it will enable you to [illegible] your family food problems re[illegible] that [illegible] and more!

You'll discover, for example, new, surprising facts on vitamins . . . the importance of minerals . . . all about proteins. More important, you'll learn how to preserve natural food values in your cooking . . . how to buy the most nutrition for your money.

This material, gathered from Government and Homemakers' Bureau sources costs thousands of dollars. Yet this practical and understandable course, condensed and organized by our own Graduate Nutritionists, is available to you by mail for only 25c.

MAIL THIS COUPON TODAY

PRESIDENT ROOSEVELT SAID

★ Any loss of human life, any interference with production, any loss of critical materials hinders and impedes our war effort. Uncontrolled fire, even in normal times, is a national menace. Today, when agents of our enemies are seeking to hinder us by every possible means, it is essential that destructive fire be brought under strict control in order that victory may be achieved at the earliest date. ★

CHRISTIAN SCIENCE CHURCHES

In all Christia Science churches, a Lesson-Sermon will be read Sunday, October 11, on the subject "Are ..Sin, ..Disease, ..and ..Death Real?" The Golden Text will be: "Salvation belongeth unto the Lord: thy blessing is upon they people," (Psalms 3:8)

Bible selections will include the following passage from Revalation 21:4: "And God shall wipe away all tears from their eyes; and there shall be no more death, neither sorrow, nor crying, neither shall there be any more pain: for the former things are passed away."

A passage from the Christian Science textbook, "Science and Health with Key to the Scriptures" by Mary Baker Eddy, will also be included, which reads as follows: "When it is learned that disease cannot destroy life, and that mortals are not saved from sin or sickness by death, this understanding will quicken into newness of life. It will master either a desire to die or a dread of the grave, and thus destroy the great fear that besets mortal existence," (p. 426).

ANNUAL VICTORY LUNCHEON HELD HERE SATURDAY

Nature smiled her prettiest Saturday when the annual Harvest Festival and Victory Luncheon was held on the Old Adobe grounds at the California Nursery, by the Toyon Branch of the Children's Hospital of the East Bay.

Tables and benches were placed in the shade out of doors and the girls of the Toyon Berries served the ample-repast. A grocery table and a candy booth helped to raise funds for this annual charity event.

Mrs. William H. Ford was general chairman of the luncheon committee assisted by a large staff of ladies. The event was quite successful financially, although there were not as many men present as usual. Thanks are due Mr. and Mrs. George C. Roeding Jr. for the use of their attractive grounds and facilities.

BRANCH NETS $100.

DECOTO — An outdoor meeting and picnic luncheon was held at the home of Mrs. Herbert Harrold at Decoto on Monday for members of the Toyon Branch of the East Bay Children's Hospital Association. The Harvet Festival given by the Toyon Branch at Old Adobe on Saturday netted more than $100 for the hospital. Members of the association wish to thank the community for the splendid support that was given them. Next meeting of the Toyon Branch will be at the home of Mrs. Edna Overacker on November 9.

FILM AVAILABLE SHOWING GUAYULE RUBBER PROJECT

The Forest Service of the U. S. Dept. of Agriculture has 16 M.M. colored film with sound, showing the Guayule Rubber Propect which they will show to organizations at no cost. Takes 20 minutes. If interested, write or phone Ed Perry, Asst. to the Director Rubber Project Salinas. Phone 3961.

The Forest Service has seed for, and therefore desires to secure, 200,000 acres of land, under irrigation. Must be fertile, light, well draiend, fairly level. They are paying $10 to $30annual rent. It takes 6 months in the nursery and 18 months in the field to grow guayule with an estimated production of 830 pounds pure rubber per acre. Nurseries are at Salinas, Indio, Oceanside and there will be one somewhere in the San Joaquin or Sacramento Valley. Ask Mr. Perry for mimeograph story on guayule.

Fred S. McCargar, Secretary, SALINAS CHAMBER OF COMMERCE.

NILES LOCALS

Miss Rosemary McDonald
Correspondent

The next regular meeting of the Niles Rebekah Lodge will be held on Friday, October 16 according to Sena Carr, Noble Grand. After a short business session there will be a social hour. The Refreshment committee is composed of Iva Marble, Maude Siler and Lily Butterfield.

CARD PARTY

A card party for the benefit of the Little Flower booth will be given at the parish house, in Niles next Tuesday evening, October 13, with Mrs. Flora Silva and Mrs. Romeo Brunelli in charge, assisted by a large committee.

BIRTHDAY DINNER HONORS MATRON AT DECOTO HOME

DECOTO — A birthday dinner in honor of Mrs. Della Childs was given by the Women's Auxiliary of the Decoto Protestant Church at the home of Mrs. Melissa Walker recently. At one o'clock a delicious luncheon was served after which Mrs. Childs was presented with several attractive gifts.

After a devotional service and business meeting Miss Lamb, leader of the Protestant church work in Decoto read a letter from a missionary friend, Miss Ruth Burgevin, a teacher in the high school of Dehra Dun, India. Miss Burgevin was on a tour with an English Scientist and his wife in the Himalaya Mountains at ten thousand feet altitude. She spoke of the great changes the war had made in the life of India and also of the traveling she was doing in her car on a gas ration card of four gallons a month.

After this interesting program the guests concluded the afternoon by wishing Mrs. Childs many happy returns of the day and a quick recovery from her recent illness.

Mrs| William D. Cull will entertain her bridge club on Thursday, October 15th.

Mrs. Catherine R. Parry, District Deputy Grand President of District 53 accompanied by Sena Carr, Noble Grand of Niles Rebekah Lodge and Mrs. Rose Fournier, Olive Pugmire, and Ivy Cull made the annual trip to the I. O. O. F. Children's Home at Gilroy on Saturday and made donations of jams and jellies.

Enjoying games and refreshments were the Misses Janice Boulter, Mary Silva, Audrey Vestal, Audrey Vargas, Thelma Costa, Jeanette Orcutt, Pauline Harding, Juanita Jergens, Esther Jergens, Harriet Andrade, Diane Waynflete; Masters Jimmie Boulter, Johnnie Cattaneo and Johnnie Re.

CANNERS REPORT INCREASE IN 1942 TOMATO ACREAGES

BERKELEY — Reports to the California War Board of the United States Department of Agriculture this week indicated that tomato canners certified by the Department have increased their contracted acreage approximately 40 per cent over 1941 on the basis of war needs and govenrment price support.

George A. Scott, principal agricultural statistician, told the USDA War Board that the 64 canners now certified have approximately 72,000 acres of canning tomatoes under contract at the present time and are expected to increase this figure to 80,000 acres before the season's end. The 1941 acreage contracted by the same firms totalled 51,600.

Orland Meneze of Newark, who has been working at the F. E. Booth Cannery in Centerville, was very unfortunate Sunday morning when he cut two of his fingers. They rushed him to D. Holema for treatment and he is getting along fine.

Mrs. Jane Boyce of Newark received word from her husband who has been working in Honolulu for some time saying he was very ill at the hospital with pneumia. She states that he is improving.

GEMS OF THOUGHT INDUSTRY

What men want is not talent; it is purpose; in other words; not the power to achieve, but the will to labor. — Bulwer-Lytton

When a youn man vainly boasted, "I am wise, for I have conversed with many wise men," Epictetus made answer, "And I with many rich men, but I am not rich." The richest blessings are obtained by labor. — Mary Baker Eddy

Application is the price to be paid for mental acquisition. To have the harvest we must sow seed. — Gamaliel Bailey

DECOTO GROUP TO MEET IN MISSION IN NOVEMBER

DECOTO — The Decoto Discussion Group was very delightfully entertained at the home of Mrs. Dorothy Musick, Friday, October 2. A dessert course was served by the hostess, assisted by Mrs. Leontine Cota.

The book selected for study was "Steamboat Round the Bend" by Ben Lucien Burman and was interpreted in the following short talks: The Author, Mrs. Elsa Walker; Humorous Touches, Mrs. Leontine Costa; Superstitions of the River Folk, Mrs. Pearl Castro; Snapshots of Negroes, Mrs. Amy Brown; Animals of the Story, Mrs. Helen Brown; Dramatic Moments, Miss Cecilia Janeiro; Adaptability to the Screen, Mrs. Mary Frances Swensen; Unity of the Book, Mrs. Evelyn Joseph; Homelife of the River Folk, Mrs. Clara Dennis; Readings from the Book, Mrs. Dorothy Musick; Dr. John, Mrs. Jessie F. Taylor.

The program was concluded by an inspiring review of Burman's latest book, "Miracle of the Congo" by Miss Olive Hyde of Mission San Jose who was a guest of the club. Mrs. Beronio of Mission was also a guest. Mr. Roberts and Miss Little from the Oakland staff were present.

The Group was delighted to accept Miss Hydes invitation to meet with her in Mission San Jose at the November meeting. This is the biography meeting and the leader, Mrs. Leontine Costa has selected, "This Life I've Loved," by Isobel Field for study.

COUNTY AID TO INDIGENTS DROPS SHARPLY

The number of people receiving county indigent relief in Alameda county dropped 25 per cent from July to August, going from 3,726 for July to 2,810 for August. California Taxpayers' association stated today, reviewing relief trends in California counties.

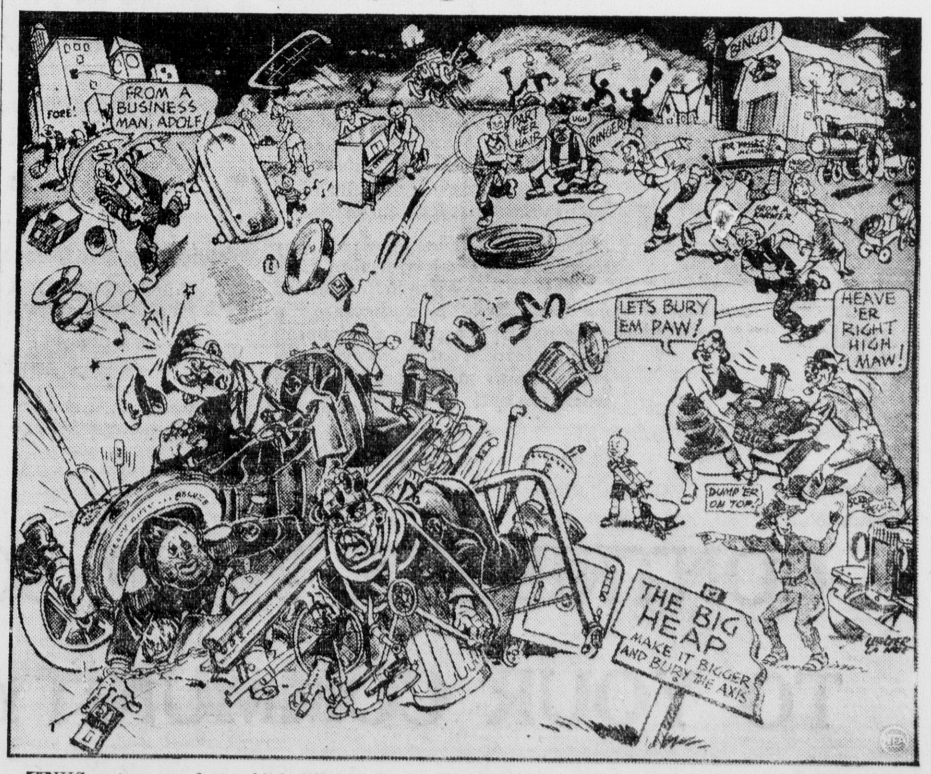
The amount expended by the county in direct county indigent relief dropped 27 per cent, when the two months are compared, the Taxpayers' association found. During July $46,225 was paid out to county indigents, and in August $33,517 was given.

Over the state as a whole, the number of persons receiving relief as county indigents was 10 percent lower in August than in July, the association stated. In July, 49,093 persons received this kind of aid, compared with 43,946 in August.

Total amount paid out for relief of county indigents by the fifty-eight counties in the state was 9 percent less for August than for July, $591,222 being expended in July and $539,852 in August.

ESTHER ANDERSON
DANCING CLASSES
Every Monday IOOF Hall, Niles
Taps—Ballet—Acrobatic & Baton taught 10:30 to 4:30

"NOT A SLACKER IN THE LOT . . ."



THIS cartoon was first published by the Omaha World-Herald, originator of the "Nebraska Scrap Plan." In three weeks the people of Nebraska collected 136,171,012 pounds of scrap metals for war industries. That was 103.4 pounds per capita for every man, woman and child in the state. (NAME PAPER) believes that the Citizens of (NAME STATE) are equal to Nebraska's challenge. Let's get out the scrap to bury the Axis!

"Men in overalls as well as men in khaki now fight. Every rivet you drive echoes victory. The glare of your torches is a beacon light to tomorrow's triumph. The men at the front will bless your name as weapons reach us."

DOUGLAS MacARTHUR.

Our men need tanks, ships and guns. The steel for these must be made from 50% scrap metal. But the Nation's steel mills don't have enough scrap on hand to last even 30 days more! Keep 'em running. Help build up a huge scrap stockpile—the bigger the better.

GO down into your basement—your storeroom. Climb up to the attic too. Look at the unused stuff you're sure to find, and realize how important these odds and ends can be.

Important to a kid half way around the world. Important to a blue-clad gob—to a flyer, racing to reach the target before some knifing Messerschmitt can find its mark.

That old metal means *steel* for these men. And steel means armor plate for safety—weapons and ships for Victory.

Without it they'll die. They're not afraid of that—but it's better to give a life for a cause than to be sacrificed by thoughtlessness. And it's better yet to live, knowing that the folks back home didn't let them down.

And we won't let them down! Monday starts our big scrap collection drive—and you're going to help make it a good one. Don't let up because you see a full junk yard or a brimming salvage depot. That's the way they've *got* to be to make sure the mills won't run out!

YOUR NEGLECT WILL COST SOME BRAVE BOY'S LIFE!

(Continued from Page One)

Mr. Cyrus Solon will soon be bidding ther son CYRUS SOLON Jr. goodbye, as he leaves within the week for officers training school somewhere in Virginia. His many friends wish him good luck and success.

Mr. and Mrs. Lawrence Waldt of Newark received word from their son LAWRENCE WALDT Jr. from Washington, that he had got married. He was made Corporal in the Army where he is stationed. They presented their son with a big wedding cake, and a beautiful set of silver ware, which they sent to him.

Bert Martin of Newark received word that his son CLARENCE MARTIN second Lieutenant in Georgia, has received the Township Register he subscribed for. The father stated that Clarence sure enjoys reading the Township Register.

PAUL NEWTON MANLEY, Newark boy has enlisted in the United States Navy, whereabouts unkown at present, but word was received by his relatives of his promotion to Pharmacist Mate, second class.

RALPH BASSE of the U.S. Navy enjoyed Saturday at the home of Miss Maxine Mau. Basse is stationed at Moffett Field at the present time and is from Minnesota.

Mr. and Mrs. E. A. Ellsworth, Mrs. F. V. Jones, and Corporal VERNON ELLSWORTH attended the wedding of Miss Barbara Newman and Ensign ROBERT BRUCE KIENTZ of the U.S. Naval Air Corps Reserve last week. The wedding took place at the First Congregational Church in Oakland. Ensign Kientz's mother was a former resident of Niles and is a member of the E. D. Baldwin family.

JOHN GARCIA who enlisted in the U. S. Navy, visited his parents at Decoto over the weekend. He has been transferred from San Diego to Trasdr Island.

JAUL PAGAN, who is in the U. S. Army, spent the weekend at the home of his parents at Decoto.

Mr. and Mrs. Harold Cortez and son of San Leandro, former Decoto residents, visited at the home of relatives here on Sunday afternoon.

The many friends of LLOYD AMARAL will be delighted to learn that his parents have received a letter together with pictures, showing that he is in the best of health. He is doing radio work with the armed forces and reports that he enjoys the work very much.

MEN WITH DEPENDENTS WANTED TO APPLY FOR COMMISSIONS!

Attention men with dependents! Here is your opportunity to earn a commission in the U.S. Army Engineer Corps.

All registrants deferred for dependency only are eligible through the Volunteer Officer Candidate program. Technical education or experience, while desirable, is not essential. The most important requirements are the desire to earn a commission, leadership ability, plus sufficient mental ability to complete the course of instruction satisfactorily.

Quotas for this important branch are limited. Do not delay. . . See your local Draft Board today and make the necessary arrangements.

Read Your Paper Thoroughly

ANNUAL HILL FIRE

Niles annual hillside fire broke out Saturday afternoon near the summit of the slope above the Belvoir Hotel. A strong wind from the bay fanned it through the dry grass. The Niles Fire department answered the call. It was about this time last year that soot and ashes from a hill fire in about the same location fell all over Niles. The county truck from Livermore responded to the call and helped the Niles department with its literally "up-hill" fight. Only pasture land burned.

N.D.G.W. PARLOR TO REMEMBER BOYS IN SERVICE

Betsy Ross Parlor, N. D. G. W., entertained their charter members at a party in Anderson Hall, Centerville on Friday evening, October 2nd. Nine of the honored guests were present, namely, Anna Rose, Evelyn Garcia, Alfreda Clark, Mae Alameda, Lucy Day, Addie Dias, Rose Peixoto, Marie Bettencourt, and Matilda Enos. All present joined in the singing of several songs. Each charter member was presented with a gift, and Matilda Enos gave an interesting talk on how the Betoy Ross Parlor was first organized. Refreshments were served under the managemnt of Mary Freitas, who was the chairman for the affair.

Louise Beneddetti, Deputy Grand President to Betsy Ross Parlor, and several members from her Parlor were present.

Arrangements were made to send all of the Native Sons from the Washington Parlor who are serving our Country, a remembrance for Christmas. Constance Amaral is in charge of this activity.

Plans for a Stork Ssower to be given to Mrs. Adeline Martin on October 16th, were discussed Those on the committee for the affair are, Evelyn Garcia, chairman, Mary Amaral, Alfreda Clark, Mary Silva, Margaret White, Ida Francis and Evelyn Peixoto.

A baby spoon was purchased, which will be presented to Emilene Rose, who is the proud mother of a baby daughter.

The charter members extended a cordial invitation to all the members of the Betsy Ross Parlor to attend a party, which they will sponsor, on the sixth of Novehber.

CENTERVILLE ELEMENTARY SCHOOL PATROL ENJOYS THEATRE PARTY

Seventeen members of the Centerville Elementary School Junior Traffic Patrol enjoyed a movie at the Niles Theatre on Thursday evening, September 24. Following the show, the officers enjoyed light refreshments. The party was made possible through the co-operation of the Centerville Parent-Teachers' Association.

The boys were accompanied by Mrs. Lawrence Soares, Mrs. Manuel Silva, and Principal Thomas P. Maloney.

Twenty-six students have registered for practice with the school orchestra under the direction of Mrs. Cecile Whitaker.

FOOD SALE SATURDAY

A MESSAGE TO OLD & NEW P. T. A. MEMBERS

To The Patrons Of Niles:

Once again the PTA membership drive is "just around the corner". We of the organization wish to thank you for your memberships of the past and ask you to become members again this year. This drive will probably be held the week of October 18. As most of you know, the drive is carried on mainly through the efforts of the Grammar school boys adn girls. This method of contact is not frowned upon by our officers of the Council and District. Rather, it is left up to each community to carry on this drive in the manner most effective and with which most are in accord.

This year I hope to stress the virtue of "good sportsmanship" to the boys and girls in making these contacts. A fine, clean, spirit of competition, with good manners a vital necessity. Before the drive, I find it helpful and fun, too, to talk to the youngsters for a few minutes explaining the purpose of the drive, and all its details.

Last year, we were able to give free milk to the first three grades. Not all these children receive this milk. Only those who are underweight and whose state of health warrants it. Some adults are financially able to buy milk for their youngsters but have not yet learned the real necessity for milk in the child's daily diet.

So, when some boy or girl knocks on your door we hope you'll enter into the spirit of the PTA membership drive and help us with your dollar. We hope we can do a great many more things for our children's welfare this year. These organizations are the instruments of Democracy, their very nature is purely Democratic. We must hold the torch high and keep them alive and flourishing, during these anxious days ahead.

Thank you,
Mrs. Fred Duffie, Pres.

18 & 19 YER-OLDS MAY SERVE IN BRANCH OF OWN CHOICE

The War Department announced today the opening of an intensified campaign for the recruiting of eighteen and nineteen year-old volunteers for the Army. This group will be given a much wider range of choice than before in their privilege of picking the arm in which they are to serve.

Under the new ruling, recruits of eighteen and nineteen may volunteer specifically for the Quartermaster Corps, the Ordnance Department, the Chemical Warfare Service, the Medical Department and the Corps of Military Police, in addition to the previous range of choice between the Infantry, Cavalry, Army Air Forces, Coast Artillery — including Antiaircraft and Harbor Defense — Field Artillery, Armored Force, Engineers, and Signal Corps.

In each of the five Services newly added to the list as well as its eight branches previously open, there are ample opportunities for advancement and a chance to apply for Officers Candidate School.

No release from Selective Service boards is needed in the case of volunteers eighteen and nineteen year olds. The consent of their parents, however, is required.

CANDIDATES WANTED FOR MIDSHIPMEN IN MARITIME ACADEMY

Dr. Walter F. Dexter, State Director of Education, announces that the regular competitive entrance examination for the 75 appointments as Midshipmen in the California Maritime Academy will be held in Los Angeles and San Francisco on November 21, 1942. Applicants selected will enroll next January.

The Academy offers 16 month of training and instruction at the new shore establishment on San Francisco Bay and aboard the schoolship S. S. GOLDEN STATE. Graduates receive a license as a Third Officer in the U. S. Merchant Marine and a Commission as an Ensign in the U. S. Naval Reserve. The Academy is recognized as a prime source of officers for the U.S. Merchant Marine and the demand for graduates exceeds the supply.

Enrollees now receive a salary of $65 a month plus other allowances during their period of training.

Applicants are required to pass a strict physical examination and must not be less than 17 and 8 months of age or more than 23 at the time of admission. Complete information can be obtained by writing the Secretary, California Maritime Academy, 515 Van Ness Avenue, San Francisco, California.

IMPORTANT—ALL MOTORISTS

California car and truck owners are advised by the National Automobile Club to check their certificate of registration which is required by law to be carried in a conspicuous place in the driving compartment of each vehicle. All motorists will be required to present their current registration certificate when obtaining the new gasoline ration books and unless they have this important certificate at the time the books are issued, they will be considerably inconvenienced. Every motor car owner should immediately make sure that his certificate is in his car. Should it not be, application should be made for a duplicate at once.

NILES CHURCH PLANS SERIES OF CARD PARTIES

The board of trustees of the Niles Congregational Church held its first fall meeting Sunday evening in the Manse with Reverend D. Q. Grabill present. The Incumbent officers were re-elected as follows: Fred Duffie, Chairman for his ninth term, and Paul Offel, secretary. Also present were Trustees Thomas Gough, A. B. Leask and Walter Waynflete.

Mr. Gough was appointed to represent the board on a visiting committee on which the Womens Guild the Sanford Circle and the Men's Fellowship club will each have one member.

Treasurer Leask was made chairman of a series of three public whist parties to be put on in the Guildrooms during November aided jointly by the Guild and the Circle. It is planned to give a capital prize, probably a $25 war bond to the person having the highest scores at all three parties. Other prizes will be given each meeting.

The money so raised will be used to meet the quarterly building fund payments of $50 each.

Some dscussion was held on the Church sponsoring a Scrap Metal drive on Sunday, November 8. The board will take further action at its next meeting on Sunday night, November 1.

The water Temple near Sunol is closed to visitors just at present while the gathering of Walnuts is going ahead on the water company's property where the temple is situated.

NILES CHURCH ENJOYS ANNUAL DINNER MEETING

Forty-five members of the Niles Congregational Church were present Friday evening to enjoy the annual congregational pot-luck dinner and meeting held in the Guildrooms. Reverend and Mrs. D. Q. Grabill were present and were welcomed into the Church family by Walter Waynflete, chairman of the cabinet.

Mrs. Myers as clerk read the minutes of the last annual meeting.

Annual reports were presented by Treasurer A. B. Leask; Mrs. Leask for Mrs. E. C. Dawson, president of the Women's Guild, who was not present; by Mrs. Nell Myers for Mrs. E. L. Yarbrough, secretary of the Sanford Circle, who was absent; by Mrs. Wilma Duffie, Sunday School Superintendent, and by Mrs. L. O. Bunting for the choir.

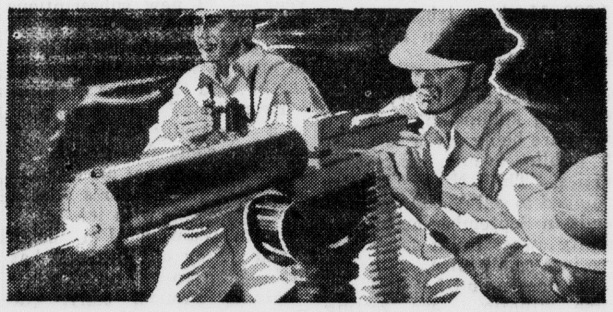
Mr. and Mrs. Grabill requested that their Church letter be accepted and they were voted into full membership. The group also voted to establish a Church Visiting Committee to consist of a representative each from the Guild the Circle, the Board of Trustees and the Men's Fellowship club.

A plea for the early signing of pledge cards was made by the chairman and a nominating committee of which Fred Duffie was chairman presented names to fill the offices for the coming year, all of whom were unanimously re-elected, with the addition only of the names of Charles Middleton as Deacon filling the vacancy left by the departure of W. T. Lindsay; and Thomas Gough as trustee, to fill the vacancy left by Warren Jones' departure.

About 40 parishioners were present Sunday to hear Reverend Grabill's first sermon, and to partake of communion.

DUCK HUNTERS WARNED

With duck hunting in California scheduled to open October 15, a new ruling by the U. S. Coast Guard affecting every waterfowl hunter is announced, according to the Outing Department of the National Automobile Club. The new regulation requires everyone over 14 years of age on any boats in any waters to carry proof of having his Federal fingerprints taken. This naturally affects duck hunters who may use any type of boat to reach shooting grounds or uses any boat to retrieve game.



We gladly forego
A MILE AND A HALF OF NEW TELEPHONE WIRE
—that this machine gun may shoot for 4 minutes!

Our Long Distance lines are carrying the greatest volume of calls in history—calls directly related to production for war and the movement of men and supplies.

The materials needed to build new telephone lines have gone to war! For example, a machine gun in action four minutes will use up enough copper for a mile and a half of telephone wire.

Although we cannot build new lines, we can make the most of what we have. You can help if you will not make any Long Distance calls unless they are absolutely necessary. Even on these, please be as brief as you can.

For this our sincere appreciation. You are helping us to help you and our Country.

TO OUR BOYS "OUT THERE"

It's a lovely fall afternoon in Niles,—Thursday, October 1, to be exact. Several carloads of Township businessmen have just passed my shop, on the way to their weekly Rotary luncheon.

School boys and girls are lolling around the streets, enjoying a lazy day off, account of Teachers Institute or something.

We want you boys "Out There" to know that when you come back from this grisly war you will find Home and Mother about as you left them.

We on the home front are not hurt any. Sugar rationing has been in effect for months, yet we all have all the sugar we want. Ceiling prices have been fixed at a maximum of 7½c per lb., for which we can be thankful. Last war sugar sold for from $18 to $30 per 100 lbs.

The national speed limit of 35 miles per hour went into effect today, and it is a very good thing: saves rubber, saves nerves, saves cars, reduces accidents. Lengthens life.

No tires can be bought, of course; yet the reduction in California's gas tax revenue for August was only down 15½ percent from August of last year, indicating driving has been reduced only 15½ percent, which is not a serious reduction.

The tomato and beet sugar harvest is in full swing. Men, women and children, even high school boys from San Francisco, quartered in the high school gym, are working day and night in the fields and the canneries. We're getting along o.k. with the fruit. The first of 15,000 Mexican laborers have arrived in Stockton and Alameda County.

Everybody is buying war bonds and stamps. Every school is selling stamps. Stamps and bonds are being given as prizes at public events, like card parties. The Niles Theatre managed to sell $3,000 worth of bonds in September and that's mighty sweet for a small theatre in a small town.

The doctor and hospital and nurse situations are getting acute. Some doctors don't make appointments any more, because they know they cant keep them. Unless it is an emergency, you go to a doctor's office and wait. There are only four doctors left in Washington Township now to take care of its 12,500 residents. You make a reservation now for a hospital bed like you do for a seat in a transcontinental train. Maybe you get it and maybe you don't.

Food is plentiful, even though prices, particularly on meats, have risen quite a lot. There is no shortage of candy, ice cream or other sweets.

Some few businesses have closed up "until we win". Their owners have gone into service or into defense work, and that's all to the good, too.

These are the minor economic dislocations which have affected us civilians as we near the end of the first year of our entry into the conflict. Nothing serious, though; no hardships for anybody, and the newspapers are full of want ads for help at very high wages. One big firm advertises for "Boys, 16 to 18, no experience required, $45 per week to start." $45 per week is good pay for an experienced reporter on a daily paper with 10 years experience.

If anyone is broke these days, outside of the sick, the elderly and the disabled, it is their own fault. There are more jobs than there are people to fill them. And the pay is sweet!

Clothes and shoes are plentiful and not expensive. The big stores, both mens and womens, advertise full new stocks of clothes, quite as usual and you can still buy a good suit for $30. Last war it was $50 and $60 with shoes kiting to $15.

So we're doing alright . . and hope you boys "Out There" are getting a kick out of your new experiences and new adventures. Don't forget, it costs Uncle Sam a lot of money to keep you fellows out in the sticks, wherever you are, and your safety, health and welfare are Uncle Sam's continual concern.

* * *

It's Thursday afternoon, and ye ed is stamping out individual copies of this home-town newspaper, carefully packaged to stand long trips to soldiers and sailors at Kodiak and Dutch Harbor, Florida, New Guinea, Hawaii, Posts on the continental U.S.A. and A.P.Os all over the map.

Your folks at home are taking advantage of my special price to men in service of $1 per year — 14 new subscriptions paid for last month; now about 50 copies of this funny paper go to men in service all over the earth. . and the list is growing.

Every time I paste a wrapper on a copy going to a soldier or sailor at some foreign place I try to picture what his location looks like . . and sorta wish I could go along with it!

Hafta confess I'm sorta proud of my old Uncle: what little of the world I have seen—England, France, Italy, our East Coast and Hawaii, I've seen as his "guest". I'm hankering for to see some more of the world "through a porthole."

Granting we did not have a bed of roses as a sergeant driver of heavy tanks with the A.E.F. in France last war, it was the most challenging year of my life. We had our share of sickness, accidents, death, hunger and imprisonment, AWOL and all the other hazards of a soldiers life — but it was worth it. "No exposure, no development" is a valuable slogan.

If you drank water in France you got dysentery (and how!) so everybody learned to drink wine. We had no mail from home, or pay the first two months overseas; no food the first four days; we were billeted in barns and on stone floors without heat. Nothing remotely resembling bathing facilities the first four months. You used your mess cup to heat water for shaving — then drank your "hot and wet" (the Army's idea of coffee) out of it. No sugar or sweets of any sort caught up with us until two months after the Armistice . . . but "squads east and west" kept up daily, slogging through the French mud for three months after the Armistice. (And was it deadly, it was so pointless?)

For Thanksgiving dinner we had slum and dried applesauce, with the rain dripping down your overseas cap while you stood up under a tree.

Some 165 men got up from flu beds and high fevers the night we left Gettysburg, slept out on the parade grounds in the rain. All went overseas and every man lived. Men are made that way.

* * *

There's one service star in the window at my house. It's for my wife's brother, now "deep in the heart of Texas." By December there will be two service stars, when my fifth printer-operator leaves the Goode Shippe Register for Uncle Sam's service.

After that there may be a third star — when the AGO decides to act on ye ed's application for a commission in G-2. (Army Intelligence, in which I served in Hawaii in 1924-25.)

After that there wont be any menfolk around my house, except my 10 year old son, who this summer earned more money in the fruit than his dad did when he was 16. And is he proud of his War Bond Collection? He is.

Be seein' some of you fellahs one of these days, mebbe!

* * *

If any of you birds "Out There" who read this blurb feel so moved, write me a letter for publication, giving the folks at home, (and the other fellows in service who get The Register weekly) your slant on life in the New Army or Navy in this New War —wherever you are.

The Southern Pacific company recently featured, in its national advertising, a letter written to them by a sailor in Hawaii. His letter expressed the Spirit of America, and it was good.

Don't forget: you privates in this Man's Army are getting more pay than sergeants got in the Old Army. You're the best paid, best clothed, best fed, best cared-for soldier in the history of mankind. When you feel like grousing, give thanks instead that you weren't born a Russian . . . or a Chinaman. They're the boys who have been taking it, and dishing it out, for $1 per month or less.

The Skibbie soldier gets only 49c a month, after his several allowances are deducted — if that's any satisfaction to you men who wear Uncle Sam's uniform!

W.W. signing off.

—ww—

THE BUILDER AND THE TALKER

Henry J. Kaiser is an American builder. He has built dams. Now he is building ships. He plans to build airplanes.

Dr. Hans Elias, of Middlesex University, Massachusetts, has never built anything material in America. But he is known as an academic theorist and abstract thinker.

The other day the papers carried an account of the result of some of Professor Elias' thinking, put by the professor in these words:

"After the war the masses of the people will be impoverished by the burdens which war imposes upon everyone. There will be no cars, radios, washing machines or refrigerators. There will be practically no export industry because countries abroad are exhausted. There will be practically no important trade because we shall no longer be wealthy enough to buy more than we need."

The paper that day also carried the news that Mr. Kaiser, whose Richmond shipyard had startled the building world in August by launching a ship in 24 days after layingthe keel, had slashed that record in his Portland yard with the incredible feat of launching a huge 10,500 ton cargo vessel just 10 days after its keel was laid! Mr. Kaiser, who is so busy eternally building things that he hasn't time to talk much, said this:

"What we have done is just a prelude to the great production era that will rebuild the world. after this war is won and over."

Men of the Henry J. Kaiser stamp are always few and precious; men of the Hans Elias stamp are myriad and insignificant. Thousands of the latter said Fulton's steamboat was a joke, that Washington was a fool to face England's armies, that Lincoln couldn't preserve the Union, that Wright's heavier-than-air .machine .was .an idiot's contraption. The works of .the .builders .stand. The words of the talkers are forgotten.

What Henry J. Kaiser and men like him accomplish in this war and in post-war reconstruction will be long remembered; what Professor Elias and men like him say will be as ephemeral as their gloomy, visionless words.

—ww—

TELLING 'EM!

I wish I had the eloquence and the influence to raise my voice just once so that it would reach every man, woman and child in these United States and say that we not only do not need to have a post-war depression, but, on the contrary, the very day that peace is declared, America can enter on the period of her most promising prosperity; her greatest agricultural and industrial expansion; her greatest individual and social opportunity. The rebuilding of the .productive .wealth .which this war has destroyed is going to be the greatest job man has ever tackled. What we need now is a new baptism of faith and confidence."—From an address by Henry J. Kaiser, American builder, in Oakland last week.

—ww—

FIRST CALL FOR CHRISTMAS

Speaking in advance for Santa Claus, postal authorities have announced that now is the time for mailing Christmas packages for delivery in time to soldiers overseas — with October the deadline month. Delay will mean that Christmas Day will come and go before a soldier receives his remembrance, and a gift to a homesick boy at that time. Remember! October is the deadline month—and the earlier in the month, the better!

—ww—

TYPEWRITERS WANTED

If you have a typewriter you can do without, please turn it in to us. We need it — badly.

That is the plea of the Army and Navy. Every bomber requires a typewriter. A battleship requires 59 typewriters, an aircraft carrier 55, a cruiser 30, a destroyer 7. These are essential to fast and clear transmission of messages and orders. Offices, plants, schools and institutions are being asked to turn in 25 per cent of their typewriters to the War Production Board at standard trade-in-prices.

If your business or home has a typewriter you can spare, let Uncle Sam have it. It'll help him write that final word of Victory.

—ww—

THE FOLKS AT HOME

Uncle Sam is doing alright by the dependents of the men in service. Following a public demand in August that allotments to dependents be started at once rather than wait until after election. The demand is now bearing its expensive fruit.

The public scotched that piece of untimely political chicanery and the powers-that-be exploded their own lame excuse that office machinery could not be set up to handle checks prior to election day next month, when the first checks were mailed out September 1.

The War Department now announces that approximately 270,000 checks totalling $19,500,000 in family allowance payments were mailed to 405,000 relatives and dependents of soldiers alone, for the one-third month period October 1 to 10, of which 135,000 were first payments.

The November payments are expected to be twice as much as the number and value of cheks drawn in October, the War Department says.

This is one place where your War Bond cash is going, and its a place where the public benefits.

Have you bought your bonds and stamps for this month? Investing part of your income in War Bonds is a continuing process and must last as long as the war lasts.

— ww —

"HELL, HITLER"!

The way things are now going against the nazis: battering their brains out by the tens of thousands against the gates of Stalingrad; no progress or victories anywhere; Rommel stalled in North Africa, cities of the Fatherland bombed to pieces, and the systematic bombings increasing; with another dreadful winter coming on; food rations reduced, sickness and hunger increasing . .

The German people, forced to say "Heil Hitler" one day soon will be saying "HELL, Hitler"!

Won't that be nice?

—ww—

BEHIND THE NEWS

By Arthur Caylor in San Francisco News)

Uncle Sam's announcement that he intends to come down on 35-mile speeders like a 10-ton tackle blocking a flyweight wingback may work around to save Californians some millions and millions and millions of dollars — by putting Governor Olson on the spot.

If Uncle Sam wants a 35-mile speed limit, then there's no doubt the state law should be changed to fix a legal speed limit of 35 miles an hour. It should be changed at a speed fit to make 35 miles an hour look like standing still. Only the governor refuses to call the Legislature so it can make needed wartime adjustments in the laws.

This refusal makes Olson the most expensive governor the people of California ever paid for. In the first place, so long as the Legislature can't meet, it can't reduce taxes—despite a bulging treasury. Beyond that, Californians are out a tremendous sum every day the Legislature can't act to get them tax credit for money they pay out in taxes. . . Instead of $15,000 a year, the state could afford to pay Olson $15,000 a day. . . . . If he would retire and let some governor take over who'd ask the Legislature to straighten this tax thing out right away.

NO MORE SPEEDING

Can you believe it? There just wont be any more fast driving on American highways and byways except by emergency vehicles answering calls.

Plans are being worked out now by the officials responsible for enforcement of the President's edict of 35 miles an hour top speed so that any one picked for driving faster than that will lose his gas ration book until we win the war.

And that will be that. It seems a little incredible to know we cannot see a mere 50 on our automobile speedometer again for some time to come. Everyone with a modern car has taken 55 to be just a normal, cruising speed. And from there on up to 70 to pass another car going fast used to be all in a day's driving.

Used to be! But no more. We will drive safely and sanely until Uncle Sam, John Bull, the Grey Bear and the Green Dragon knock out our enemies. As a result our national highway casualty rate should reduce and reduce from more than 40,000 traffic deaths last year to an irreducible minimum, such as obtained when motoring was new, back in 1913.

Most modern cars can go faster than 35 miles an hour in second gear. For drivers who just must hear their motor race while driving, and who are used to keeping their accelerator foot pressing hard on the pedal . . . They'd better drive in second gear, or else, bam! there goes your precious gas ration book until its "over every where."

—ww—

GOERING " PUTS HIS FOOT IN IT"

Fatty Goering's two hour talk to the German people a few days ago contained the assurance that "the German people would not starve this winter." His love-talk was meant to be reassuring to the German people.

The repercussions in the conquered countries have been terrific. Rioting has broken out in Norway and Belgium, the down-trodden people hearing from the mouth of the fattest nazi in Europe that they, the slave nations can starve, while their food is swiped to be fed to the Germans.

They got it straight that time so they feel "what's the use of pretending any longer that we like our Gestapo overlords"? We might as well die fighting now as starve to death.

Meantime nazi troops quartered in Norway have mutinied; 17 nazi officers were dismissed from service and 43 soldiers have been marked for execution.

All is not well with Hitler's "new order." Little by little the nazis are cutting their own throats, until the happy day comes when Hitler shoots himself in one of his frequent rages. He looks so badly now that no pictures have been taken of him in months, a European correspondent reports.

There is no perfect crime, Adolph, and you and your gorilas will live to rue the day you ever started this second world holacaust.

P. T. A. SALVAGE COMMITTEE WANTS YOUR OLD METAL

The salvage committee of the Niles Parent Teachers association met Wednesday night of last week at the home of its chairman, Mrs. E. E. Dias and made plans to conduct a pick-up driveon Sunday, October 11.

School children are combing their neighborhoods now picking up old keys, used razor blades, and other "public nuisances" made of metal and entirely not needed by their owners.

Present at the recent meeting were PTA President Mrs. Fred Duffie, Mrs. Romeo Brunelli, Mrs. Loren Mohn, and Mrs. John Galvin.

PUBLIC (LEGAL) NOTICE

STATEMENT OF THE OWNERSHIP, MANAGEMENT, CIRCULATION, ect. REQUIRED BY THE ACTS OF CONGRESS OF AUGUST 24, 1912, and MARCH 3, 1933

Of THE TOWNSHIP REGISTER, published weekly at Niles, California for October 1, 1942.

State of California, ss.

County of Alameda,

Before me, a notary public in and for the State and county aforesaid, personally appeared Walter Waynflete, who, having been duly sworn according to law, deposes and says that he is the editor and owner of The Township Register, and that the following is, to the best of his knowledge and belief, a true statement of the ownership, management, etc. of the aforesaid publication for the date shown in the above caption, required by the Act of August 24, 1912 as amended by the Act of March 3, 1933, embodied in section 537, Postal Laws and Regulations.

1. That the name and address of the editor, publisher and business manager is:

Walter Waynflete, Niles, California.

2. That the owner is:

Walter Waynflete.

3. That the known bondholders, mortgagees, and other security holders owning or holding 1 per cent or more of total amount of bonds, mortgages, or other securities are:

Norman H. Parks, Indio, California.

Sworn to and subscribed before me this 29th day of September, 1942.

Palmyra L. Mosegaard.
My commission expires March 20, 1943.

WHEAT FARMERS ASKED TO PLANT "WAR CROPS"

BERKELEY — California wheat farmers today had the answer to the question of what specific "war crops" the government wants them to grow instead of wheat for 1943, and at the same time received assurance that by substituting war crops for a portion of their customary wheat plantings they would protect both 1943 AAA wheat payments and future allotments.

Dave Davidson, Chairman of the State Committee of the Agricultural Adjustment Agency and also Chairman of the California USDA War Board, listed approved war crops for 1943 as flax, sugar beets, peanuts for oil, SXP (long staple) cotton, certain dry beans and dry peas, vetch and Austrian field peas for seed, and designated feed crops—the latter including sorghum and, on non-irrigated land barley.

Other approved war crops may be designated at a later date, Davidson said, but meanwhile the list covers a sufficiently wide range to permit wheat growers in all sections of the State to make appropriate plansprior to seeding their crops this fall. He urged that every effort be made to substitute more essential crops for wheat, of which there is approximately a two-year supply on hand in the nation.

Davidson said it is probable a war crop "goal" will be established for every wheat farm adapted to growing any of the designated crops, and that AAA wheat payments will be conditioned on meeting the goals, which will be established on a farm basis during a statewide war production sign-up to be conducted by county US DA War Boards this month.

DUCK SEASON OPENS THURSDAY

SAN FRANCISCO — The hunting season on ducks, geese and mudhens opens at sunrise, October 15th in California, excepting along the Colorado River and a strip 10 miles wide therefrom, where the season opens November 2nd.

A state hunting license is required for all those hunting waterfowl, and a Federal duck stamp is required for those over the age of 16 years.

The limit on ducks is 10 (only three in the aggregate may be redheads and buffleheads). Two daily limits may be possessed except on opening day when only one daily bag is legal.

Geese is two per day, four in possession, except on opening day when the limit is two in posession.

The limit on mudhens is 25 per-day, with 25 in possession.

Hunters are reminded that there is no open season on jacksnipe (or Wilson's snipe) or wood duck in California.

AUGUST GAS TAX YIELD DECLINES

SACRAMENTO—The consumption of taxable gasoline continues to reflect the war-time restrictions placed on the use of motor vehicles throughout California, R. E. Collins, Chairman of the State Board of Equalization, reported today.

The tax, based on the August distribution of 164,044,127 gallons of gasoline, amounted to $4,921,323 a decrease of $893,859 or 15.37 per cent compared to the same month of the previous year. The August income from this source was comparable to the $4,920,237. assessed for the month of July.

The August sales brought the total tax for the year up to $38,-536,717 or 7.7 per cent below that of the same eight-month period of 1941, Board records revealed.

The darkest hour in the history of any young man is when he sits down to study how to get money without honestly earning it.

— Horace Greeley

Industry hath anexed thereto the fairest fruits and the richest rewards. — Barrow

A man who gives his children habits of industry provides for them better than by giving them a fortune. — Whately

33 MEN LISTED AS DELINQUENT AT DRAFT BOARD

The following 33 men are listed at the Niles Draft Board as delinquent. They have been ordered to report for induction, for physical examination or for other reasons, and have not put in an appearance within the lawful period of time.

It is the duty of any person who knows the present whereabouts of the following named men to instruct them to report to Draft Board No. 75 immediately, or face stiff penalties when their whereabouts is discovered.

The towns listed after the men named are the last known addresses filed with the local board. The list follows:

Crawford Albert Barner, Decoto.
Febranio Sandoval, Alvarado.
Vincent Arias Navarro, Alvarado.
Joe Martenez, Alvarado.
Frank Cordova Ortega, Decoto.
Edward John Amarosa, Centerville.
Raymond LeRoy Errickson, Livermore.
George Thomas, Pleasanton
Adolph Anthony Rose, Niles.
Gerhard John Schulz, Sunol.
Darei Lopes Crus, Decoto.
Domingo Rios Aquilar, Pleasanton.
Salvador Escamilla, Alvarado.
Monte Webb Biggart, Livermore.
Fullington Elbert Udell, Livermore.
Arthur Nawlin Peacock, Livermore.
Harry Edward Ostby, Livermore.
John Garcia, Decoto.
Hilario Covarrubias, Decoto.
John L. Wagner, Hayward.
Luis Vargas, Alvarado.
Jose Martinez, Pleasanton.
Frank Herman Barrow, Centerville.
Benito Margarito Wango, Livermore.
Bronislaw Ptak, Livermore.
Calistro, Sanchez Lopez, Pleasanton.
James Edward Nelson, Livermore.
Bartlett Fred Carter, Livermore.
Maurice Louis DeFraga, Livermore.
Eugene Otto Horst, Livermore.
Lawrence Gambol Manganaan, Pleasanton.
Rouquillo Efren, Pleasanton.
Peter Olivera Paniagua, Decoto.

MAIL SOLDIERS' XMAS GIFTS BEFORE NOVEMBER 1.

READ THE RULES—The following rules, issued by the Postoffice Department in cooperation with the Army Postal Service of the War Department, apply to the mailing of Christmas parcels for members of our Armed Forces serving outside the continental limits of the United States.

TIME OF MAILING—Christmas parcels and greeting cards should be mailed during the period beginning October 1 and ending November 1, 1942, the earlier the better. Each package should be endorsed "Christmas Parcel." Special effort will be made for delivery in time for Christmas.

SIZE AND WEIGHT—Christmas parcels shall not exceed 11 pounds in weight, or 18 inches in length or 42 inches in length and girth combined. However, the public has been urged to cooperate by voluntarily restricting parcels to the size of an ordinary shoe box and the weight to six pounds.

USE CARE IN PREPARATION—Remembering the great distance this mail will be transported and the necessary storage and frequent handling, it is absolutely necessary that articles be packed in substantial boxes or containers and be covered with wrappers of sufficient strength to resist pressure of other mail. Each parcel is subject to censorship and delay may be minimized by securing covering to permit ready inspection of contents.

PROHIBITED MATTER—Intoxicants, inflammable materials, poisons or compositions likely to damage mails are unmailable. No perishable matter should be included in parcels.

HOW TO ADDRESS PARCELS—Addresses must be legible. Parcels addressed to overseas Army personnel should show in addition to the full name and address of the sender, the name rank, Army serial number, branch of service, organization, A.P.O. number of the addressee and the postoffice through which parcels are to be routed. Units located within the continental United States may be addressed direct, using name, rank, organization and location.

POSTAGE MUST BE FULLY PREPAID—The rate on parcels of fourth-class matter (exceeding eight ounces) being the zone rate applicable from the postoffice where mailed to the postoffice in the care of which parcels are addressed.

GREETING MESSAGES PERMISSIBLE—Inscriptions such as "Merry Christmas", "Don't open until Christmas" and the like may be placed on the covering of the parcel if it does not interfere with the address. Cards may be enclosed and books may bear a simple dedicatory inscription.

INSURANCE AND REGISTRY—Gifts of value should be insured. Articles of small size and considerable value should be sealed and sent as first-class registered mail.

MONEY ORDERS—The Army Postal Service recommends use of postal money orders to transmit gifts of money to members of Armed Forces outside the United States. These are cashed at A.P.O. in local foreign currency at rate of exchange on date of presentation.

Is your man receiving his copy of News-From-Home each week? Only $1 per year and I pay the postage. — The editor.

SERVICE CLUBS MEMBERSHIPS TO DINE AT SOLONS

Next Thursday evening at 6 o'clock will bring together the membership of the Centerville Lions and the Niles Rotary clubs for a dinner in Solon's rumpus room at Niles. Tony Silva will be chef and they say it will be quite a party!

On Thursday noon of this week Frank Dusterberry and a members of the Oakland Office addressed the Niles Rotary club on the Whys and wherefores of the Blood Bank. Tom Wilson was chairman of the day.

TWO FIRE ALARMS

The Niles fire siren routed out the Niles fire department Wednesday morning at 6:30 to extingush a grass fire burning near Shinn's on the Niles-Centerville highway. A second alarm after 8 o'clock proved to be false, according to Chief "Tony" Alves.

Register advertisers appreciate your patronage.

" FANTASIA" TO SHOW IN NILES SUNDAY & MONDAY

Walt Disney's mavellous film, "Fantasia" which has played long runs in the big cities at $1.65 and $2.20 prices will be shown this Sunday and Monday at the Niles Theatre, Manager W. J. Helm is proud to announce.

There will be no advance in his regular admission prices to see this remarkable technicolor film, which runs an hour and 40 minutes, he says.

There will be a good second feature, too, entitled "Moonlight Masquerade" with Dennis O'Keefe, Jane Frazee and Betty Kean.

"Always a good show at the Niles Theatre" he says.

MRS. ROSIE NUNES, 62 OF CENTERVILLE, DIES

CENTERVILLE—Final rites for Mrs. Rosie Nune, 62, were held from the Chapel of the Palms Wednesday morning with mass at the Holy Ghost Church at 9 o'clock and interment in the Holy Ghost Cemetery.

The deceased was a native of Centerville. She was the wife of Manuel and the mother of the late Marie L. Souza and the grandmother of Bobby Souza. She was the sister of Frank and Anthony Peixotto and Mrs. Theresa Furtado of Centerville and Manuel Peixotto of Niles. She was a membr of St. Isabel's Catholic Society.

PARENTS HEAR FROM NILES WORKER, PRISONER OF JAPS

Elmer Crawford, construction worker who was captured by the Japanese in the fall of Wake Island, has written to his parents Mr. and Mrs. G. L. Crawford of Niles, from his prison camp at Shanghai.

The letter brought the Crawfords the first direct word they had received from their son since he was taken prisoner.

"I'm feeling fine and am in good health," Crawford wrote. "Say hello to my friends."

Crawford said he and his fellow prisoners work about four hours a day. Their recreation, he said, includes baseball and volleyball.

PACIFIC GAS CO. EMPLOYEES BUY BONDS LIBERALLY

Employees of Pacific Gas and Electric Company are buying war bonds through payroll deductions or for cash at the rate of $1,224,000 per year, according to a monthly report just submitted to the United States Treasury Department.

The amount is expected to increase as the campaign for one hundred per cent participation in the war effort continues. At present approximately 95 per cent of the company's employees are buying bonds regularly. In half of the divisions of the system the roster of bond buyers already has reached 100 per cent.

Seventy-eight cities and towns within the territory servied by the utility will receive credt for the bond purchases of P. G. & E. employees. As the monthly reports are made, the Treasury Department credits the individual amounts of sales subscriptions against the quotas assigned to the various towns. Thus the company employees contribute their war bond purchase accomplishments to the communities in which they live.

VOTE "YES" ON PROPOSITION 1

Californians who believe that our war effort can be brought closer to maximum efficiency if "Hot Cargo" and the Secondary Boycott are prohibited while the war is on, should understand that a "yes" vote is required on State Proposition 1.

Those unfamiliar with the machinery of the referendum are apt to be confused. In fact, many persons are under the mistaken impression that a "No" vote is required on Proposition 1 to abolish these pernicious practices for the duration.

The Legislature has already passed the measure which outlaws "Hot Cargo" and Secondary Boycott as long as the war continues. The law would be in force right now if the referendum had not been invoked by one of the major groups. This referendum procedure puts it up to the voters of the state to decide on November 3rd whether they approve the courageous action of the Legislature, and want to see the law prohibiting "Hot cargo" and Secondary Boycott enforced while we are settling accounts with Hitler, Hirohito and Co.

This is a law now, but a majority of "Yes" votes is required to place it in effect. A majority of "No" votes would be eminently satisfactory to our enemies, including the aforesaid Hitler, Hirohito & Co.

With the world in flame at our front door, no time should be wasted either in kindling or in putting out petty and pestiferous backyard bonfires.

DOING THEIR BIT

Scouter Lewis Lewis at Niles has received a letter signed by Leon Henderson thanking the Niles Scout troop for assisting in distributing their share of 25 million leaflets entitled "What you should know about Price Control." The nation-wide distribution was made in 10,000 American communities, the work all being done by Boy Scouts.

How to take care of
GAS HEATING
EQUIPMENT
RIGHT NOW is a good time to check up on the gas heating devices in your home. If repair is needed—do it at once. Usually, however, a good cleaning to remove dust and rust is enough. See examples below:
1 Take off the grill on your wall register or floor furnace. Have a cardboard carton handy and go to work with a brush or vacuum cleaner. A pancake turner can serve to lift out heavy dirt.
2 Is yours a forced-air furnace? Then take out filter pads. Give them a good cleaning or replace with new pads. Each fall have a heating dealer check over the furnace, fan, motor, controls and pilot light.
VENT PIPE TO FLUE
3 Take a look at the vent pipe that connects your heater and other gas equipment to the flue. If it is rusted out—have it replaced now.
4 Watch room temperature and save gas. Overheating your home isn't healthy anyway. If your fireplace has a damper—close it when the gas heat is on. It's good economy.
Gas Heating devices are built to give long years of service. Rust and dust are their worst enemies. With a little care now and then they will see you through the duration.
